Re: Hillary Clinton for President; FEC ID No. C00431569, Amended February Monthly Report (1/1/08-1/31/08)

Dear Ms. Lien and Mr. Hilland,

This is in response to your letter requesting additional information pertaining to the above-listed report of Hillary Clinton for President (the Committee). You have requested additional information on the reattribution, redesignation, or refund of certain contributions that are so marked on this report. The Committee has reviewed the contributions noted by you and is providing the following information. An Amendment is being filed to correct or clarify aggregation, designation, and attribution where needed. The Committee will also provide a response under separate cover with a copy of additional information requested by you that cannot be filed electronically.

In some cases, the Committee found data entry errors as a part of its review, cure and notification process and made the needed corrections. Please note that the Committee continues to work on review and improving our data entry.

In several additional cases, the Commission has confused different contributors with the same name. The contributions from Abernethy R, Adler J, Bartolomei J, Berger D (4), Coleman P, DiGeronimo R, Ellen B, Elliott J, Emery J, Golstein M, Green J, Hull L, Lake K, Lee L, Lee A, Marshall J, Martin C, Martin M, Minor M, Moore E, Obrien A, Oleary R, Palmer D, Patel C, Paul T, Peyser P (NY different then DC) Reddy V, Reyes I, Richardson N, Silver I, Silverman N, Smith J, Stone M, Sullivan, Weiner M, Weiss B, Weiss D, Williams Carl, Wilson S are contributions from separate individuals, at different addresses, and with different occupations and employers.

A few contributions noted by you will be disclosed as refunded on the Committee s July Monthly Report. Although the Committee is diligent with regards to our review and of tracking excessive contributions these few contributions were inadvertently overlooked. During the Committee s ongoing effort to correctly and accurately aggregate the contributions made by an individual, occasional data entry errors occur. Upon discovery, the Committee takes immediate action to correct its records and makes every effort to correct the public record.

Please note that the Committee has always intended to fully comply with the sixty day reattribution and redesignation provision. Strict procedures are used by the Committee to ensure that all contributions are handled in a manner in full compliance with this and all other applicable provisions.

In addition you have requested information regarding the contribution from The Emiline Company. The Committee received written verification prior to the deposit that it was a partnership and not a corporation. The contribution is reported as such and attributed to Richard Licht.

You have also requested additional information on the refund made to Abe Sher. His contributions were itemized and reported, though the Commission may not have located them due minor discrepancies with the contributors name. His contributions were reported on 11/19/07 as Abe Shen.
